Newsletter February 2009

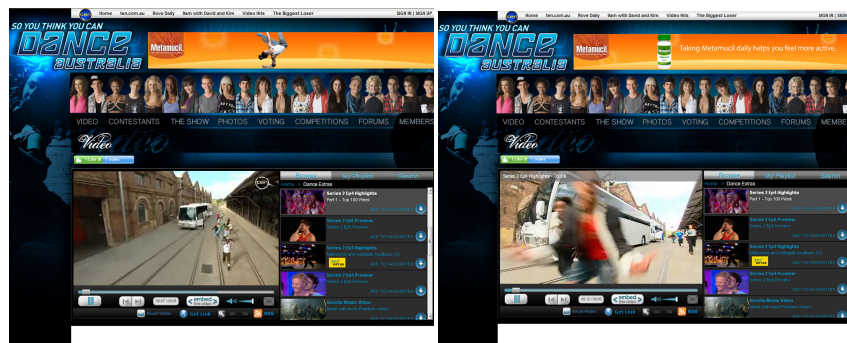

Welcome to the February edition of the **Australian Prestige Coaches** newsletter.

February saw a large influx of modern cruise ships enter Sydney Harbour.

The **Queen Mary 2**, the longest cruise ship in the world arrived in Sydney on Thursday 26 February 2009. Below are some pictures of our coaches at work transporting passengers from the ship to the airport and to sites in Sydney. You can really see how large the boat is, in comparison to our coaches.

Our coaches also made a cameo appearance on the hit dance show "So You Think You Can Dance Australia".

Australian Prestige Coaches has the capacity to provide your transport needs for all the big events in Sydney and in Australia. Please give us a call or visit our website for all your transport requirements for any job, big or small and we will ensure you get first class service in our modern luxury coaches.

*Please be advised that a new and improved website will go online at <http://www.prestigecoaches.com.au> in March.
